ABOUT US

First Aid Industrial Training & Health

An organization started 15 years back, to provide all sort of safety & health related programmes to scores of industries, companies & educational institutes.

It is a brain child of Dr. Gajanan Kulkarni & Mr Shailendra Risbud who established faith as ISO 2001 recognized & government registered Taxpaying firm. Our basic aim is to provide training in host of topics ranging from first aid, safety, fire fighting, ergonomics, industrial health checkups.

Faith is recognized by DISH [Directorate of Industrial Safety & Health] Maharashtra Government recognized institute. All safety & first aid certification is in accordance with Maharashtra State Government guidelines & certifying authority.
