

Sachin Mathdevru

Trainer | Talent Partner

Sachin Mathdevru is a seasoned HR professional with over 15 years of experience spanning IT/ITES, staffing, banking, automobile, and manufacturing industries. He brings proven expertise in end-to-end recruitment, HR business partnering, employee engagement, and learning & development. Having led strategic hiring across APAC, North America, and EMEA.

Sachin has expertise in closing mandates in niche and leadership roles, while also mentoring teams and strengthening organizational talent practices. He is adept at leveraging HR analytics, employer branding, and advanced sourcing techniques to deliver measurable hiring outcomes. With a dual specialization in Human Resources and Marketing, Sachin combines strategic insight with hands-on execution, making him a trusted partner for both leadership and employees in building high-performance, growth-oriented cultures.
